

Dear Parents,

E-Readers are coming to Brookwood! Third, fourth, and fifth grade teachers will be allowing their students to read their E-Reader during their independent reading time. All school rules and expectations will apply. **This is completely optional.** We just want to provide this opportunity for students who are using E-Readers. If you choose to allow your child to bring their E-Reader to school they will have to be responsible for it. We will not be held accountable for damage, loss, theft, or inappropriate material. Parents and students must sign and return the Proper Use Agreement below before the student brings an E-Reader to school. If you have questions or concerns, please let me know.

Sincerely,

Karen Head
